No. 196. Read the following letter from Captain R. R. E. BROCKMAN, R.E., District Engineer, Tanjore, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Tanjore, 2nd August 1876, No. 1,438 :—

IN forwarding copy of a petition received from Ram Row, late Overseer in this district, who was dismissed from the service in G.O., No. 1,527, dated 20th June 1876, applying for copies of certain documents to enable him to submit an appeal on the subject of his dismissal, I have the honor to request the favor of your instructions as to whether Ram Row's request may be complied with.

From S. RAM ROW, late Overseer, Department Public Works, Tanjore, to Captain R. R. E. BROCKMAN, R.E., District Engineer, Tanjore, dated 24th July 1876.

As I am resolved to put in an appeal against the decision of Government both to Government itself and, if necessary, to the Secretary of State as regards my career and actions in both the Police and Department Public Works, where I have been sacrificed as a victim to the faults of others on insufficient inquiry, I shall feel thankful if you will kindly direct the Manager to grant to me copies of the under-mentioned documents :—

1. $\frac{1}{2}$ timber account submitted by Mooneapah Pillai, the Range Officer.
2. Memorandum Z drawn by Colonel Oakes $\frac{1}{2}$ revised.
3. Copy of data by Sub-Engineer.

Memorandum by the Superintending Engineer on $\frac{1}{2}$ and $\frac{1}{2}$.
Copy of Register of works left by Mr. Donaghue while handing over charge to Mr. Hamnett—this can be had from the range records of Manargudi.

2. I have a right to the copies of the above records, and therefore trust that your honor will kindly order their being granted to me, in order that I may lay before Government the details of my case in a review petition, and then, if necessary, also before the Secretary of State for India to obtain redress. Hence the necessity of the documents.

No. 197. ORDER THEREON, 9th August 1876, No. 2,048.

ESTABLISHMENT, Nos. 10 & 11.

THE petitioner's application, which is objectionable in tone, will be declined. The case has, moreover, been gone into most thoroughly already.
