Most Noble Sir,

We named Muttanram Nacheran
Rama Krishna Nacher, the owners of the Village No. 454
Cantary Putter, Gungiveran Talug; most humbly beg leave
to bring to your honor's kind notice, that these in full
years ago, or on the 12th December 1869, the best and most
part of our lands of the said Village had sold by us
to the British Government for extending the Chembam
-baram Tank, since which we had addressed
at so many in different dates to all the Collectors
succeeded to no payment of the value till now, tho'
all other Village of our kind had received already
their value -

And at last, the Acting Collector
Melville Esq. was graciously pleased to endorse on the
back of our Petition to address to the Superintendent
Engineer of the Canal, and on an day so, he was
kind enough to advise us to address to your honor
for the same -

We therefore most humbly crave your
honor will be graciously pleased to issue an order for
the payment, soon as possible, because we are detained
for a length of time or years, neither from cutting
our lands nor of using the water there
for our meals -

We therefore humbly crave your honor
will be graciously pleased to issue an order for the
payment, that we and our poor families & poor
children may pray to God before our meals for
your honor's long life & prosperity -

We beg to remain with profound respect
Your most Obedient & faithful
servant

*Proceedings of the Madras Government, Revenue Department,
17th July 1876.*

No. 164. Read the following Proceedings of the Board of Revenue, dated 7th July 1876, Miscellaneous No. 5,719:—

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Saidapet, 2nd June 1876, No. 329.

With reference to the Miscellaneous Proceedings* of the Board of Revenue, dated 26th ultimo, I have the honor to

state that the compensation claim therein referred to was disposed of on the 23rd September 1875, and a Bill sent to the Superintending Engineer on the 30th idem for countersignature and transmission to the Examiner of Public Works Accounts. This latter officer, however, declined to

pass† the Bill, unless it was covered with a sanctioned estimate, which Deputy

Collector Vencatesiah states will take some time to complete, owing to the claimants (most of whom are Zemindars) not having as yet presented themselves, though endeavour has been made to secure their attendance.

2. As the completion of the estimate will doubtless take some time, and the early adjustment of the outstanding claims seems desirable, I would suggest that the Examiner of Public Works Accounts should be authorised to pass the Bills connected with the project, pending the submission and sanction of the estimate.

ENCLOSURE No. 1.

From Lieutenant C. CHRISTIE, R.E., Deputy Examiner, Public Works Accounts, to Colonel F. J. MOBERLY, R.E., Superintending Engineer, Chingleput, dated Fort St. George, 24th March 1876, No. 118, C.N.

I HAVE the honor to return the two Bills (with Memoranda attached) for compensation for land for the Chembrambaukam Tank received with your Nos. 4,916 and 4,917, dated 16th March 1876; and I shall feel obliged by your informing the Collector of the district that as these Bills are not covered by any sanctioned estimate, I am unable to pass them.

No. 5,095.

FORWARDED to the Collector of Chingleput with reference to his letters Nos. 541 and 555 of 24th and 30th September 1875, respectively.

MOUNT, (Signed) F. J. MOBERLY, Colonel, R.E.,
29th March 1876. Superintending Engineer.

SUBMITTED to Government with reference to G.O., dated 12th May 1876, No. 1,118.

2. There is no necessity for pre-audit in the case of long standing claims which should be settled at once (*vide* G.Os., dated 15th April 1875, No. 1,042, Public Works Department, and 8th November 1875, No. 3,187, Public Works Department, embodied in Board's Proceedings, dated 17th June 1875, No. 1,658, and 14th March 1876, No. 732).
