*Proceedings of the Madras Government, Public Works Department,
14th August 1876. No. 2,091.*

No. 280. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 4th August 1876, No. 383 :—

ADVERTING to paragraph 4 of the Proceedings of Government, No. 374, dated 11th February 1876, I have the honor to submit a plan and estimate, amounting to Rupees 6,512, of the cost of building sleeping accommodation for passengers over the station-house at Madura, on the southern extension of the South Indian Railway.

2. Looking to the hours at which the trains arrive at Madura and leave the station, also to the length of time during which the existing arrangement is likely to last, I consider it necessary that passengers should be provided with the accommodation proposed. Madura is about midway between Trichinopoly and Tuticorin, a distance of 196 miles, and there is every probability of the upper apartments being frequently occupied. I recommend that sanction be accorded to the outlay.

3. Funds to meet the expenditure will be met from the allotment for "Stations and Buildings," southern extension, in the Budget-estimate for 1876-77.

4. The commencement of the work has been authorised in anticipation of sanction.

No. 281.

ORDER THEREON, 14th August 1876, No. 2,091.

RAILWAY, No. 29.

THE estimate is sanctioned, and the action of the Consulting Engineer in authorising the commencement of the work approved.

2. The above sanction has been registered as Railway No. 9-W. of 1876-77.
