No. 286. Read the following Circular from the Government of India, Public Works Department, (Railway,) dated Simla, 2nd August 1876, No. 14R:—

Prizes to Station-masters, Permanent Way Inspectors, Sub-Inspectors, and Gate-keepers on Indian Railways.

OBSERVATIONS.—It is observed from an entry in the Abstract Proceedings of the Bombay Government in the Railway Department for the month of May 1876 that the Agent, Bombay, Baroda and Central India Railway Company, intended to have an inspection of the line and stations throughout in the last week in June 1876, and to award prizes as below noted:

1st.—To the three Station-masters whose stations are in the best order, and who have done most towards ornamenting their stations by the cultivation of plants and flowers, a prize equal to one month's salary each.

2nd.—To the three Permanent Way Inspectors and to their Sub-Inspectors whose work throughout is in best order, and who have been most successful in the cultivation of growing fences and in rearing of trees to afford shade near stations, prizes equal to one month's pay in each case.

3rd.—To the three Gate-keepers on each division whose lodges and crossings are in best order, and who have the best pieces of cultivation at their lodges, prizes equal to one month's pay in each case.

This practice, it is understood, has been adopted also on other railways.

2. His Excellency the Governor-General in Council considers the award of moderate prizes, in this manner, very desirable, and requests the submission of reports showing what is the custom on each Guaranteed Railway in India in this respect. His Excellency in Council also invites the opinion of the Director of State Railways on the subject of offering similar prizes on the State Railways.

ORDER.—Ordered, that a copy of this Resolution be forwarded to the Government of Madras in the Public Works Department (Railway), to the Consulting Engineers to the Government of India for Guaranteed Railways at Calcutta, Lahore, and Lucknow, and to the Director of State Railways, for information and guidance.

Also to the Government of Bombay in the Public Works Department (Railway) with the request that reports concerning the Great Indian Peninsula Railway, and of the result of the inspection on the Bombay, Baroda and Central India Railway, may be forwarded to the Government of India, for information.

Also to the Chief Commissioners of the Central Provinces and British Burmah, and to the Resident at Hyderabad, for information.
