*Proceedings of the Madras Government, Public Works Department,
14th August 1876. No. 2,103.*

No. 304. Read the following letter from W. HUGHES, Esq., Assistant Engineer in charge of District Engineer's Office, Tinnevely, to Major-General G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Palamecottah, 2nd August 1876, No. 68 :—

IN G.O., No. 650, dated 13th March 1876, District Engineers are directed to entertain temporary establishments for Assistant Engineers from Cooper's Hill except where permanent, extra, or special establishments exist, or are available for them. I do not feel certain whether this order empowers me to appoint a writer for Mr. Hutchings, Assistant Engineer, as there is already a special establishment in the district (entertained under G.O., No. 770, of 11th March 1873), though it is not all available for employment under him. This establishment at present consists of a writer on Rupees 30 and a draughtsman on Rupees 40 employed in Thencarai sub-division, and two lascars employed under Mr. Hutchings. I cannot withdraw any of the establishment from the sub-division as it is fully engaged, there being always a good deal of work in progress there. The Streeviguntum works, provided in estimate for the project, are still incomplete and many improvements will have to be taken up from time to time. Nor can I take away a writer from the Shermadevy division officer's establishment which is even now small, as, though Mr. Hutchings supervises the works in one of the sub-divisions, he merely passes the bills, and all accounts not prepared by the Overseers have to be made up under the direction of the division officer.

2. I have the honor, therefore, to request you will be good enough to permit me to engage temporarily a writer on Rupees 20, if the Government Order quoted above does not already empower me to do so.

No. 305. ORDER THEREON, 14th August 1876, No. 2,103.

ESTABLISHMENT, No. 15.

This application cannot be entertained, there being already two sub-divisional establishments and one special establishment available in the Tinnevely District which should be utilized to the best advantage.

*Proceedings of the Madras Government, Public Works Department,
14th August 1876. No. 2,104.*

No. 306. Read the following letter from Captain L. CONWAY-GORDON, R.E.,
Examiner of Public Works Accounts, to Major-General G. W. WALKER,
R.E., Secretary to Government, Public Works Department, dated Fort St.
George, 15th July 1876, No. 117-W. :—

With reference to the Proceedings of Government, No. 1,494, of the 15th June
1876, I have the honor to suggest that, in order to secure the absorption of these
supernumeraries as soon as possible, District Engineers be instructed not to fill up,
without previous reference to the Chief Engineer, Public Works Department,
any vacancy which may occur in the grades of Overseers.

No. 307. ORDER THEREON, 14th August 1876, No. 2,104.

ESTABLISHMENT, No. 16.

THESE men having been taken on to
the Public Works Establishment of this
Presidency, in excess of strength of the

Overseer establishment, in obedience to the orders of the Government of India and
contrary to local regulations, just after twenty-eight duly qualified candidates had
passed out of the Civil Engineering College, they cannot be allowed to stand in the way
of these latter, but must be considered as Probationers and Supernumerary for one
year.

2. The Chief Engineer will, however, be at liberty to absorb them permanently
on the strength of the establishment as they may be reported favorably of by the
District Engineers under whom they are employed, and as vacancies may occur and
they may be applied for by those or other District Engineers.
