*Proceedings of the Madras Government, Public Works Department,  
14th August 1876. No. 2,105.*

No. 308. Read the following letter from Major H. L. PRENDERGAST, R.E., District Engineer, North Arcot, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Vellore, 3rd August 1876, No. 1,471:—

I HAVE the honor to request that the sanction of Government may be accorded to the pay of Rupees 19-8-0 being passed from the 11th May to 16th July 1876, to S. Ramanjooloo Naidoo, who has been acting as Draughtsman in the Wallajah range office, though he has not passed the General Test Examination.

2. The late Lieutenant Bevan, when in temporary charge of the district, appointed this man to act when the Draughtsman went on sick leave.

In G.O., No. 580, dated the 3rd March 1876, it is ruled that there shall be no reduction of pay of appointments above Rupees 20, to suit candidates who have not passed the examination; and the Examiner of Public Works Accounts declines to admit the pay of unpassed men appointed to "officiate" in situations of Rupees 20 and above.

3. Explanation has been left on record by Lieutenant Bevan that a passed man could not be procured to act for a short time, and I trust the Government will allow the strict reading of their order quoted above to be relaxed in this case.

4. A District Engineer is placed in considerable difficulty when an office servant holding a special position, such as that of Draughtsman, becomes sick and is obliged to leave his office. The work must be done; the other office-people cannot give assistance; and if a passed candidate does not happen to be at hand, the officer must do without a Draughtsman. In cases of prolonged illness and extensions of sick leave, the inconvenience becomes very serious.

No. 309. ORDER THEREON, 14th August 1876, No. 2,105.

ESTABLISHMENT, No. 17.

In this instance His Excellency in Council authorizes the Examiner to pass pay to the Draughtsman in question.

2. Report, however, should have been made when the man was first appointed and in all future cases of this kind Government will expect to receive such reports.
