Proceedings of the Madras Government, Public Works Department,
15th August 1876. No. 2,113.

No. 322. Read the following endorsement of the Chief Secretary to Government in the Judicial Department, dated 26th July 1876, No. 1,149:—

From Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 20th July 1876, No. 3,349.

With reference to G.O., No. 1,422, dated 14th instant, Judicial Department, on Public Works Department Order, No. 1,599, dated 26th June last, declining to provide funds for certain buildings in the North Arcot District, I have the honor to refer you to my letter C. No. 30, dated 18th June 1876, in which I pointed out that all Police buildings (including petty construction and repair) are provided for from the Department of Public Works Budget.

2. The buildings under reference are those the construction of which has been approved of by Government and provision of funds made for in the special allotment (Rupees 27,178) sanctioned for departmental works and repairs in G.O., No. 605, dated 30th March 1876, Financial Department. It will be also seen that the three items above referred to have not been included in list of works struck out by Government in Public Works Department, No. 1,232, dated 17th May last, and thus their necessity was recognized.

3. I request, under the circumstances, that the plans and estimates for these buildings may be sanctioned as they are emergently required, as already pointed out in my letter embodied in the Government Order quoted in paragraph 1 above.

4. There is no such source as "Petty construction and repair" in the Police Civil Budget from which such charges can be met, as the whole of the funds required for outlay on Police buildings are under orders of the Government of India entered in the Public Works Department Budget—vide the Resolution of the Government of India, dated 1st June 1869, No. 397-A, communicated in G.O., Public Works Department, No. 2,153, of 3rd July 1869.

SANCTIONED and transferred to the Public Works Department for disposal with reference to the order in that Department, dated 26th June 1876, No. 1,599.

(Signed) W. HUDLESTON,
Chief Secretary.

FOR ORDERS.

It is submitted for
orders whether reconstruction
of such catcha buildings
as those in question is to be
encouraged by additional
grants being made for them
as often as they tumble
to pieces. The cost is not
much, but funds are scanty
and whatever is given to
these is so much taken from
available funds for pukka
buildings.
