*Proceedings of the Madras Government, Public Works Department,
16th August 1876. No. 2,135.*

No. 362. Read the following letter from Captain L. CONWAY-GORDON, R.E. Examiner of Public Works Accounts, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 9th August 1876, No. 154-W. :—

I HAVE the honor to acknowledge the receipt of G.O., No. 1,837, dated 20th July 1876, in which it is stated, in reply to an inquiry made by me, that G.O., No. 130, dated 17th June 1876, did not convey any additional sanction, but simply communicated to me a sanction accorded in the Revenue Department, to the disbursement of a certain sum as compensation for land.

2. As this order is said to have been communicated to me in order that the charge might be passed on the rules being complied with, I beg most respectfully to point out that the audit by this office is conducted with reference only to sanctioned estimates, and that there seems to be no necessity for specific sanction to the *disbursement* of compensation for land taken up and provided for in a sanctioned estimate. I may add that Government have already, in their Proceedings, dated 22nd May 1875, No. 1,416, affirmed the needlessness of Government sanction in cases of this kind.
