*Proceedings of the Madras Government, Public Works Department,
16th August 1876. No. 2,147.*

No. 384. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Madura, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madura, 7th August 1876, No. 1,627 :—

I HAVE the honor to solicit, and at his own request, that Lieutenant Boddy, R.E., be permitted to remain in this district, and Mr. Lyon posted elsewhere. Lieutenant Boddy is now working far more satisfactorily, and has lately made himself well acquainted with the Irrigation Works in the Pulney taluq, particularly about the Shunmuganadi river and its basin ; in the event, then, of the Government sanctioning the investigation of the projects for this valley, he would be able to take up the work of surveys and levels at once, whereas another officer would not only have to make himself acquainted with this ground but with the whole range also ; but, as Lieutenant Boddy is quite willing now to stay, I trust you will be good enough to recommend the proposal I have now submitted for the favorable consideration and orders of the Government.

No. 385. ORDER THEREON, 16th August 1876, No. 2,147.

ESTABLISHMENT, No. 20.

HIS GRACE the Governor in Council regrets that circumstances render it necessary that the posting of Mr. Lawford to the Madura District, *vice* Lieutenant Boddy, in Gazette of 8th August, should hold good.
