*Proceedings of the Madras Government, Public Works Department,
17th August 1876. No. 2,152.*

Read the following papers :—

✓ No. 393. From Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 25th July 1876, No. 361.

I HAVE the honor to lay before Government, for consideration and for any action they may deem necessary, the enclosed correspondence relative to the dismissal of a case of cattle trespass in Erode Station compound by the Sub-Magistrate of that town, on the ground that the word "Railway" in the Act does not include Stations.

2. The Railway authorities are of opinion that reading Act XXV of 1871 in conjunction with Act XVIII of 1854, the term "Railway" must, so far as cattle trespass is concerned, be held to include all lands belonging to such Railway Company. There appears to be almost the same danger from cattle getting on the line through station compounds as through a gate in the fence, and it is stated that the opinion given by the Sub-Magistrate of Erode is contrary to former decisions.

3. Although the case in question is not in itself an important one, the Railway authorities are anxious that it should not form a precedent for future decisions, and I beg therefore to be favored with the orders of Government thereon.

✓ From R. B. ELWIN, Esq., Agent and Manager of the Madras Railway Company, to Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, dated Madras, 22nd June 1876, No. 634.

I HAVE the honor to forward herewith certain correspondence which has been referred to me by the Acting Chief Engineer, relative to the refusal of the 2nd-Class Magistrate of Erode to try a case of cattle trespass on the ground that the word "Railway" in the Act does not include "Stations."

2. I shall be glad if you will take such action in the matter as you may consider necessary.

From G. E. SMITH, Esq., Resident Engineer, to W. R. ROBINSON, Esq., Acting Chief Engineer of the Madras Railway Company, dated Pothenore, 12th June 1876, No. 694.

Cattle Trespass within Station Compounds.

THE 2nd-Class Magistrate, Erode, considers such cases of cattle trespass do not come within the Railway Act. It is scarcely necessary to say that this opinion is contrary to previous decisions elsewhere, and also to common sense. An animal that grazes loose within the compound may very well stray across the line, because in general, there is no fence between the rails and the rest of the compound. I enclose (original) letter of the 2nd-Class Magistrate, Erode; also (original) cattle trespass report to the Deputy Prosecuting Inspector.

Owner of cattle above mentioned.—Erode Chidur Saru Ravoothar.

From Mr. J. COLLINS, Deputy Prosecuting Inspector of the Madras Railway Company, to Mr. G. E. BOYNE, Permanent-way Inspector, Peranduray, dated Tripatore, 7th June 1876, No. 247.

Cattle Trespass in Erode Station Compound.

In submitting the enclosed papers on the above subject, may I request you will represent the matter to the Resident Engineer, as the Magistrate of Erode refuses to entertain the above charge from the instructions given him by the Sub-Collector of the District.

From Mr. R. ROSS, Superintendent of Watchmen, to Mr. J. COLLINS, Deputy Prosecuting Inspector, Tripatore, dated Madras, 29th May 1876, No. 921.

With reference to your letter, No. 228, of the 28th instant, you will see under the title of "Construction" of Act XXV of 1871, runs thus: "It shall be read with, and taken as part of the said Act No. XVIII of 1854."

2. Then under Section 21 of Act XVIII of 1854 runs thus: "The owner of any animal which shall trespass or stray upon any such Railway or upon any lands belonging to such Railway Company. Now Erode Station compound is land belonging to the Madras Railway Company, and cattle trespassing thereon would therefore be punishable under either of the sections, or under both read with and taken as part of the said Act XVIII of 1854.

3. Put this argument to the Magistrate and he will take up the case.

From the 2nd-Class Magistrate, Erode, to Mr. J. COLLINS, Deputy Prosecuting Inspector of the Madras Railway Company, Tripatore, dated Erode, 26th May 1876.

With reference to your letter of the 23rd instant, I have the honor to inform you that the complaint of cattle trespass does not come as offence under Section 19 of Act XXV of 1871, as the compound of a Railway Station is not included in the Railway within the meaning of Section 1 of the above Act.

From Mr. G. E. BOYNE, Permanent-way Inspector, 3rd Division, South-West Line, to G. E. SMITH, Esq., Resident Engineer, 3rd Division, South-West Line, dated Peranduray, 9th June 1876, No. 159.

In forwarding the attached correspondence, I beg to inform you that a cow was impounded at Erode on the 17th May 1876 for trespassing in the station compound, and an application was subsequently made by Deputy Prosecuting Inspector Collins before the 2nd-Class Magistrate at

*Proceedings of the Madras Government, Public Works Department,
17th August 1876. No. 2,152.*

Erode for the owner of the cow to be tried. The Magistrate declined to interfere in the matter, on the ground that the land around Station-houses was not included in Section 1 of Act XXV of 1871, *vide* his letter attached. Under these circumstances, I beg for instructions how to proceed in future.
