*Proceedings of the Madras Government, Public Works Department,
13th August 1876. No. 2,158.*

No. 406. Read the following letter from Major J. VERTUE, R.E., District Engineer, Trichinopoly, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Trichinopoly, 8th August 1876, No. 425 :—

I HAVE the honor to request that Government will allot funds for the work marginally noted.
Flooring with cut stones, No. 4 block, temporary Barrack, European Infantry, estimate Rupees 1,400. 2. The work received the sanction of Government in G.O., No. 3,144, of 3rd July 1875, and was carried out on emergency, as the old flooring was in such a state that the Military authorities declined to make use of the building.

No. 407. ORDER THEREON, 18th August 1876, No. 2,158.

MILITARY WORKS, No. 15.

THE Government are not in a position to provide funds for this work, which was by no means of an emergent character. The District Engineer exceeded his authority therefore in carrying it out in anticipation of an allotment. He should now provide for it from funds at his own disposal, with which view proposals for a formal transfer should be made.
