*Proceedings of the Madras Government, Public Works Department,
21st August 1876. No. 2,193.*

No. 468. Read the following letter from Lieutenant-Colonel R. B. KENNEDY, District Engineer, Malabar, to Major-General G. W. WALKER, R E, Secretary to Government, Public Works Department, dated Camp at Manantoddy, 10th August 1876, No. 95 —

THE Examiner, Public Works Accounts, has disallowed eighteen days' travelling allowance* due to Mr. Grimes for having

* At 4 Rupees ^{RS} 72 stayed at Cochin from 12th to 29th June, on the grounds that by G O, No 2,635,

dated 17th October 1871, fifteen days' residence at a place is sufficient to regard it as the officer's temporary head-quarters, but I need not point out how important it was that Mr. Grimes should have remained at Cochin to close the breach of the Cruz Milagre Gap.

2 Mr. Grimes was in fact telegraphed to proceed to Cochin, and do what was necessary to the gap, and I had myself to proceed there on the 24th June to inspect his work.

3. As Mr Grimes had to maintain his own regular travelling establishment, and had to pay hire of boats and crews whilst at Cochin, I beg strongly to recommend the amount claimed by Mr Grimes for sanction.

No. 469. ORDER THEREON, 21st August 1876, No. 2,193.

ESTABLISHMENT, No 25.

THE circumstances under which Mr. Grimes was placed were, in the opinion of His Excellency in Council, exceptional; and the Examiner is authorized to pass him travelling allowance for the eighteen days in question.
