*Proceedings of the Madras Government, Public Works Department,
21st August 1876. No 2,197*

No 476 Read the following Proceedings of the Madras Government in the
Judicial Department, dated 11th July 1876, No. 1,397. —

Read the following papers —

From Captain R R E BROCKMAN, R E, District Engineer, Tanjore, to Major-
General G W. WALKER, R E, Secretary to Government, Public Works
Department, Fort St George, dated Tanjore, 20th June 1876, No. 1,127

In reference to G O, No. 26, dated 4th April last, I have the honor to inform
you that the Superintendent of Police
is of opinion that the proposal of the
Inspector-General, communicated in G O,
Judicial Department, No. 569, dated 25th

March 1876, viz, to make use of two of the existing wards in the Subsidiary Jail at
Needamungalum, for Police Lock-ups, is not feasible, inasmuch as the wards III and
IV are required for convicted and under-trial females. He has suggested, therefore,
that the arrangements already proposed should be maintained, increased accommodation
being provided in the hospital-shed proposed to be converted into a Police station by
widening that building to eighteen feet. He also proposes that tenaced roofs should
be provided for the wards III and IV. The enclosed plan and estimate, amounting
to Rupees 1,630, provides for these alterations, which have received the approval of
the Collector, who has countersigned the plan and estimate in token of the same.

No 448-T.

TRANSFERRED to the Judicial Department for approval, with reference to Order
in that Department, No. 569, dated the 25th March 1876.

FORT ST. GEORGE, (Signed) W. T. FAREWELL, Colonel,

No. 999.

REFERRED to the Inspector-General of Police for his remarks

(Signed) W. HUDLESTON,
27th June 1876 *Chief Secretary.*

From Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to the Hon
W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated
Ootacamund, 5th July 1876, C. No. 39.

With reference to your endorsement, No. 999, dated 27th June, on a letter
from the District Engineer, Tanjore, submitting revised plan and estimate (papers
herewith returned) for altering the present hospital attached to the Sub-Magistrate's
Cutcherry at Needamungalum for the accommodation of the Police, I have the honor
to state that if, for the reasons given, two of the wards of the Subsidiary Jail cannot
be utilized as Police Lock-ups, then the alterations now proposed (which have the
approval of the District Magistrate) seem calculated to provide ample accommodation
for the Police and their prisoners.
