Proceedings of the Madras Government, Public Works Department,
21st August 1876. No 2,213

No. 506 Read the following letter from R E NORFOR, Esq, Officiating District Engineer, Salem, to Major-General G W. WALKER, R E, Secretary to Government, Public Works Department, dated Oosoor, 15th August 1876,
No 72 S L —

With reference to G O, No. 1,020, dated 24th April last, directing the suspension of all work on the roads in the Oosoor Circle in charge of this department, pending the orders of Government on the application which the Local Fund Board intended to make for the transfer of these roads to "Other Agency," I have the honor to solicit early orders on this question, as this is the fifth month of the official year, and all materials for repairs should ere this have been in readiness to be laid on the roads at this season of the year, which is the most favorable for the execution of road work economically and efficiently.

2 I may add that the fact of these roads having been left untouched for more than four months is to be regretted. It will also be difficult now to get the materials required for repairs carted, as the village cattle at this season are usually required for agricultural purposes

No. 507. ORDER THEREON, 21st August 1876, No. 2,213.
