ENCLOSURES Nos 2 and 3 — Extracts from Proceedings of Local Fund Board.

THE list of incomplete works of 1875-76 of the Bellary Circle contains seven items with an aggregate allotment of Rupees 8,706 which the President proposes to meet from the following sources —

From the Road Fund Balance	RS
From the General Fund Balance	4,787
	3,919
Total ...	8,706

2. None of the items call for remark, except the 5th and 7th. The actual expenditure on the former work from the commencement up to 31st March 1876 is given as Rupees 6,202 instead of Rupees 6,868. The former figure is simply the outlay in 1875-76, to which should be added Rupees 666, the expenditure of the previous year, making a total of Rupees 6,868, which is now inserted. The allotment for the 7th item is reduced from Rupees 1,764 to Rupees 120, as the difference, viz, Rupees 1,634, has already been sanctioned in Board's Proceedings, dated 12th April 1876, Mis. No 3,182.

3. It is observed that only Rupees 807 are available out of the Road Fund as shown below —

Actual balance on the 31st March 1876 as per Local Fund	RS	RS
Return for that month		11,699
Deduct estimated opening balance as per Budget		5,000
Add—		6,699
Closing balance in the Budget		60
Reserve	8,140	
		8,500
Deduct—		15,199
Amount sanctioned from Reserve and Balance	2,961	
Amount withdrawn to meet the retrenchment of five lakhs, as per statement appended to Board's Proceedings, dated 29th June 1876, No 1,671	11,431	
		14,392
Balance available		807

This sum falls short of the required allotment by Rupees 3,980. As there is no possibility of meeting the demand from the Road Fund, the Board resolve, subject to the approval of Government, to authorize the transfer of the sum from the General Fund Balance which amounts to

Rupees 14,408 to the Road Fund of the Circle.
