*Proceedings of the Madras Government, Public Works Department,
24th August 1876. No. 2,237.*

No. 550. Read the following letter from Captain L CONWAY-GORDON, R E, Examiner of Public Works Accounts, to Major-General G W WALKER, R E, Secretary to Government, Public Works Department, dated Fort St. George, 16th August 1876, No. 171-W. —

I HAVE the honor to acknowledge the receipt of the Proceedings of Government, Nos 1,265 and 1876, dated respectively 20th May and 25th June 1876, and with reference thereto, to inquire in what manner Government would wish the conditions attached to the sanctions therein given to be observed

2 Is this office to pass the extra pay and allowances conditionally and recover them at the end of the year in the event of the workshops working at a loss, or is the extra pay and allowance not to be passed at all during the year, but to be considered in the light of a bonus to be given when the year's accounts are complete, in the event of these accounts showing a profit?

3. This latter course would be perhaps the better, as more in accordance with the practice of the larger manufacturing firms.

No. 551. ORDER THEREON, 24th August 1876, No. 2,237.

ESTABLISHMENT, No. 31

It is not the intention of Government that any change should be made in the manner of paying the salaries and allowances of Sub-Engineer Joyce and Supervisor Francis from that in which the former officer's salary has been drawn since the issue of G.O, No. 2,332, of 4th October 1872.
