*Proceedings of the Madras Government, Public Works Department,
30th August 1876. No. 2,306.*

No. 681. Read the following letter from Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 22nd August 1876, No. 3,850 :—

IN submitting the accompanying correspondence received from the Superintendent of Police, Tinnevely, I have the honor to request that the proposal for the erection by Department Public Works of a powder Magazine at Palamcottah at a cost of Rupees 880, as recommended in my letter of 17th June last, No. 2,793, may be considered as cancelled, as the building will not be required, and that the Magazine may be excluded from the list A forwarded with my letter, No. 3,644, dated 7th August 1876.

2. In his letter, No. 441, dated 3rd August last, the Superintendent of Police requests that sanction may be granted for the commencement of the Radhapoorum huts during the current year, for which Rupees 1,150 is available, and that the balance of cost may be provided in 1877-78.

From J. E. A. BOYD, Esq., Acting Superintendent of Police, Tinnevely, to Lieutenant-Colonel A. M. DAVIES, Acting Deputy Inspector-General of Police, dated Tinnevely, 3rd August 1876, No. 441.

WITH reference to correspondence marginally noted, I have the honor to forward copy of letter No. 292 of 27th ultimo, from the Quartermaster-General, to the Officer Commanding Southern District which has been furnished me by the Station Staff Officer here, and from which it appears a separate Magazine for Police ammunition will not now be required. Should this be so, I beg to suggest that the erection of a new station at Vembacottah, cost Rupees 850, be sanctioned out of the allotment for Radhapoorum huts, and these huts be begun during current year and completed in next, funds for completion being provided in scheme for 1877-78.

From Brigadier-General A. HOWLETT, c.b., Quartermaster-General, to the Officer Commanding, Southern District, dated Ootacamund, 27th July 1876, No. 292.

HAVING submitted to the Commander-in-Chief your letter No. 439 of 15th July, transmitting plan and estimate for Rupees 580 for alterations to the Palamcottah powder Magazine so as to provide separate accommodation for storage of Snider ammunition, I am directed to inform you that as the 24th Regiment will be relieved during the coming season by a regiment armed with Enfields, and as it is most probable that a considerable time will pass before Sniders are issued to that regiment, it appears to be unnecessary at present to incur any outlay on the Magazine; whenever Sniders are issued to the corps which relieves the 24th Regiment, the question can be again considered. The plan and estimate are now returned.

FORWARDED to the Superintendent of Police, Tinnevely, for information.

PALAMCOTTAH, 1st August 1876. (Signed) F. W. VANDERZEE, Captain,
Station Staff Officer.
