*This column will be filled in the Statement for June.

†This amount of Rupees 44,545 includes the value of timber, Rupees 29,450, and the goods calculated at the value here. The amount in March 1875 includes Rupees 10,145, the value of timber and the goods calculated at the value here. The cargo consists of imports, salt, rice, cloths, cereals; and exports, gallnuts, hemp, gingely seeds, lac, wheat, horns, hides, &c.; both imports and exports are calculated at their value here. The vast difference of the amount between this and last year of the corresponding month is owing to the exportation of a considerable quantity of gallnuts, &c., in this month.

OOTACAMUND,
