With reference to G.O. No. 1,472, of the 13th June 1876, I have the honor to submit, for the information of Government, a copy of Government of India Public Works Department Resolution No. 1,235/9-E, dated 30th July 1869, under which the grant of the Upper Godavery special allowances are regulated and which are still in force.

2. Government will observe that under these orders the grant of the additional allowance cannot be claimed as a matter of right, but is contingent on the special orders of the Local Government in each case. Under the authority given in the Government Order of the 13th June above quoted, I purpose therefore to continue to pass the allowance to Mr. Vanstavern.

3. The additional allowance to the Hospital Assistant employed at Dumagudiem will also be continued.

4. In April last, Assistant Engineer Mr. Chancellor was appointed to the charge of the Dumagudiem Division and remained there until June. For a portion of this period he claimed the special allowance, which this office, however, in the absence of an order of Government authorizing the disbursement of the amount, declined to admit. The District Engineer, Godavery, has now been instructed to submit, for the orders of Government, Mr. Chancellor's claim for the allowance for such time as he was actually employed in the Dumagudiem Division.
