Note by the Chief Engineer for Irrigation.

THE correspondence between the District Engineer, Trichinopoly, and this office on the need of supplementing the Minor New Works grant of that district shows that at the beginning of the current year the balance of estimates sanctioned for

							RS.
Minor New Works was	...	...	...	...	...	...	18,269
The grant is	...	...	...	...	...	...	8,000
Difference unprovided for	...	...	...	...	...	...	<u>10,269</u>

The District Engineer further points out that two works of a class not ordinarily chargeable to District grants, which were sanctioned by Government, have considerably crippled the means at his disposal for the execution of a few of the numerous small works required, and he asks for a supplemental grant of Rupees 5,339. It is recommended that Rupees 5,340 be granted.
