I HAVE the honor to report that on the receipt of G.O., No. 3,454, dated 6th December 1875, one copy of the Madras College Text-book (in three parts) on Elementary Civil Engineering was purchased for use in this office, and the cost thereof, viz., Rupees 12-8-0, was included in the contingent bill for the month of January 1876, and passed by the Examiner of Public Works Accounts. That officer now requests me to apply to Government for sanction, with reference to G.O., No. 802, dated 29th March 1876, for the final admission of the charge; and he states that, pending the receipt of sanction, the charge should be regarded as provisionally passed.
