G.O. No.	2390	Press
B.P. No.		Mis.
Dated	7-9-	C876 195-

Not to be folded or roughly handled

Read the following papers:—

No. 95. From Captain R. R. E. BROCKMAN, R.E., District Engineer, Tanjore, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Combaconum, 29th June 1876, No. 1,194.

In reference to G.O., No. 1,459, dated 25th May 1875, returning with remarks plan and estimate submitted by Colonel Roberts, R.E., for constructing Range offices at Combaconum and Mannargoody, I have the honor to observe with regard to the construction of a Range Office at the former station that it is not at present necessary, as Combaconum has since been constituted a sub-division of the Tanjore Range.

2. With regard to the provision of a Range Office at Mannargoody, I observe that it has been proposed by Colonel Oakes to convert the Police Hospital building at that station into a Range Office by carrying out additions and improvements to it. The building was constructed in the year 1871 at a cost of Rupees 1,008 and is in good order. It has never been used and is not required by the Police Department, who have stated their readiness to hand it over to this department on the sanction of Government being obtained to the transfer. The building is not likely to be required for any other purpose and, if left unoccupied, must eventually fall into decay. And, as it will be of advantage to utilize it in the manner proposed by Colonel Oakes, I beg to forward, for the approval and sanction of Government, the enclosed plan and estimate prepared under the orders of that officer for the additions, &c., required to adapt the building for a Range Office. In the event of the proposal meeting with the sanction of Government, I beg that the necessary orders may be passed for the transfer of the building to this department.

3. I may mention in conclusion that Mr. O'Shaughnessy while in temporary

charge of this district last year proposed*
* *Vide* site plan forwarded with this office No. 2,029, dated 23rd October 1875. to remove this building and to build on its site the Deputy Collector's Cutcherry at Mannargoody since sanctioned in G.O., No. 159, dated 21st January 1876. Colonel Oakes who shortly afterwards returned to the district did not approve of this measure and proposed to utilize the building in the manner above shown having fixed upon another eligible site for the Deputy Collector's Office in communication with the Deputy Collector.

No. 95-A. Endorsement of the Chief Secretary to Government, dated Ootacamund, 2nd September 1876, No. 1,350.

From H. S. THOMAS, Esq., Collector of Tanjore, to the Hon. D. F. CARMICHAEL, Secretary to Government, Revenue Department, dated Vallam, 30th August 1876, No. 3,209.

ADVERTING to your official memorandum No. 129 without date, I have the honor to inform you that the Police Hospital building therein referred to was in charge of the Police Department till the 27th February last, from which date it has been made over to the Public Works Department. The Deputy Collector Mannargoody Division reports that the building is not required by the Revenue Department, and that there is no objection to its being used by the Public Works Department. The site selected for the construction of the Deputy Collector's Office lies at some distance
