*Proceedings of the Madras Government, Public Works Department,
13th September 1876. No. 2,441.*

No. 191. Read the following letter from Lieutenant-Colonel R. B. KENNEDY, District Engineer, Malabar, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Calicut, 26th August 1876, No. 106 :—

THE Head Accountant of the Calicut Range having obtained leave of absence for four months from 15th May, the Accountant of the Ernaad Range was placed in charge of the former's post, his own being taken up by the Assistant Accountant of Ernaad Range, leaving the latter's appointment vacant; as it is scarcely possible to get duly qualified men to take appointments of such a temporary nature on such low pay as Rupees 12½, Captain Bailey appointed Canagoo Pillay, First Gumastah of the District Engineer's office, with sanction of that officer, to act as Assistant Accountant of the Ernaad Range on his own permanent pay of Rupees 15 and a deputation allowance of Rupees 5. The Examiner, however, states that, under G.O., No. 580, dated 3rd March 1876, this is inadmissible, and has requested me to apply for authority for the pay to be passed, which I have now the honor to request may be done; and I would also submit the question whether acting appointments of a temporary nature, say not exceeding six months, should not be exempt from the prohibition under the above order, a strict adherence to which might often cause great inconvenience.

No. 192. ORDER THEREON, 13th September 1876, No. 2,441.

ESTABLISHMENT, No. 11.

IN the Revenue Department, No. 1,484, of 3rd July 1867, Government decided that the Uncovenanted Civil Service Rules applied equally to permanent and to temporary appointments, and paragraph 2 of G.O., No. 580, of 3rd March 1876, prohibits the employment of unpassed candidates in appointments, the salary of which exceeded Rupees 20. His Excellency in Council is of opinion that these orders should have precluded the appointment of Canagoo Pillay, and sees no ground for making an exception in his case.

There is an order have seen
it in the vide memo placing
temporary appls. as regards
qualifications on the same footing
as permanent appls.

Put it up.

I do not think the man was
fit to hold the place permanently

Int. granting that he was for
the sake of argument, this is
not the issue involved -

Para 2 of G.O. no 580 of
3.3.76 absolutely prohibited the
employment of impaired candidates
in appts. the salary of which
exceeded Rs 20/- And G.O. in
Sd. Bep. no 1484 of 3.7.67
lays down that the U.C.S. Exam
rules apply equally to Temporary
and to fixed appts -

We therefore properly objected
to the man holding even temporarily
an appt. of which the salary
exceeded Rs 20/-, and I think
the objection should be upheld -
The Exam. rules have for their
objt, the general encouragement
of education, and this objt
cannot be attained if the rules
are set aside and a special
exception made in every case that
arises -

Of course the application

of any general rule must
at times press hard upon
the individual. This is necessary
for the general good; in
other words, the ignorant must
so often walk, and why on
Earth should it be they?

From The District Engineer,
Malabar.

To The Secretary to Government,
Public Works Department,
Madras.

Sir, The Head Accountant of the
Calicut Range having obtained leave
of absence for 4 months from 15th Aug
the Accountant of the Ennad Range
was placed in charge of the former post,
his own being taken up by the Assistant
Accountant of Ennad Range, leaving
the latter's appointment vacant; as it
is scarcely possible to get duly qualified
men to take appointments of such a
temporary nature on such low pay as
Rs. 12½ Captain Bailey appointed
Kanagoo Pillay first Yeomastha of the
District Engineer's Office, with sanction
of that Officer, to act as Assistant
Accountant of the Ennad Range on
his own permanent pay of Rs. 15, and
a defutation allowance of Rs. 5. The
Examiner however states that under
G.O. 580 dated 3rd March 1876 this is
inadmissible, and has requested me
to

to apply for authority for the pay to be passed, which I have now the honor to request may be done; and I would also submit the question whether acting appointments of a temporary nature, say not exceeding 6 months, should not be exempt from the prohibition under the above order, a strict adherence to which might often cause great inconvenience.
