No 288. Read the following letter from Captain E R E BROCKY, ~~...~~,
District Engineer, Tanjore, to Major-General G W. ... R E,
Secretary to Government, Public Works Department, ... Camp at
Tritrapoondy, 10th September 1876, No 1,746 —

With reference to paragraph 2 of G O, No. 28, dated 5th January last, I have
the honor to inform you that, on a reference made to the General Superintendent of
the Public Works Stores and Workshops, it has been ascertained that a sum of
Rupees 342-9-0 appertaining to other works has been by an error charged to the
shutters and screw gearing supplied for the Fish Chamber at the Lower Aicut, and
that the actual cost of the shutters amounts only to Rupees 681-15-0. Adding to this
a sum of Rupees 99-9-0 on account of charges for fixing the shutters, &c, the total
cost amounts to Rupees 781-8-0 instead of Rupees 1,124-1-0 as given in the revised
estimate of Rupees 2,088 sanctioned in the above Government Order. The said sum

of Rupees 781-8-0, it will be observed, is
* Rupees 715-7-11 Rupees 65-0-1 in excess of the amount*
entered for the shutters without iron screw piles in the estimate of Rupees 1,570 sanc-
tioned in G O, No. 360, dated the 14th February 1874, and the excess is due to no
provision having been made in the estimate of Rupees 1,570 for fixing the shutters.
By the reduction above shown in the cost of the shutters the amount of the revised
estimate, Rupees 2,088, is reduced to Rupees 1,745-7-0.

No. 289. ORDER THEREON, 18th September 1876, No. 2,490.
