*Proceedings of the Madras Government, Public Works Department,

No. 322. Read the following letter from Lieutenant-Colonel J. J. McLEOD INNES, R E, Deputy Secretary to the Government of India, Public Works Department, (Account—Irrigation,) to Major-General G. W. WALKER, R E, Secretary to the Government of Madras, Public Works Department, Irrigation Branch,) dated Simla, 16th August 1876, No 307 A I. —

THE Accountant-General, Public Works Department, has reported to the Government of India that the outlay on Pelandora Aicut Project to end of May 1876 has amounted to Rupees 48,109 in excess of the amount of the estimate sanctioned for the work. In Public Works Department letter, No 225 A I, dated 3rd June 1876, the excess outlay on the works to end of November 1875 was shown to have amounted to Rupees 16,857, so that, since that period, the irregular expenditure has considerably increased. I am directed to again draw attention to the facts referred to in the above letter, and to reiterate the request therein made that the Government of Madras will cause steps to be taken to expedite the submission to the Government of India of the revised estimate for the project and to report as to what that estimate is likely to amount to.
