Proceedings of the Madras Government, Public Works Department,
22nd September 1876. *No* 2,541

Read the following letters —

No. 381. From Captain G P. SKIPWITH, R E, Assistant Secretary to the Government of India, Public Works Department, (Civil Works—Miscellaneous,) to Major-General G. W. WALKER, R E, Secretary to the Government of Madras, Public Works Department, dated Simla, 31st August 1876, No. 283-M.

In acknowledging the receipt of your Nos 1,347 and 1,996, dated respectively 30th May and 4th current, forwarding correspondence showing the progress made with the Madras Harbour Works from the commencement of the works to the end of June 1876, I am directed to state that the information contained in the papers submitted is of very little value without a progress plan and sections plotted on in uniform system from careful and constant surveys, and I am to request that such a plan may be prepared and submitted for the information of the Government of India for the past quarter, and a similar plan for the current and all future quarters

---

No 381-A. From Captain G. P. SKIPWITH, R E, Assistant Secretary to the Government of India, Public Works Department, (Civil Works—Miscellaneous,) to Major-General G.W. WALKER, R E, Secretary to the Government of Madras, Public Works Department, dated Simla, 31st August 1876, No 284-M

I am desired to acknowledge the receipt of your letter, No 1,408, of the 6th June last, with which were submitted longitudinal and cross sections of the Madras Harbour Works, and, in reply, to request that, with the permission of His Excellency the Governor in Council, further plans and sections may be forwarded to the Government of India, showing progress and present state of the works, and to request that they may be accompanied by a statement showing the quantity of materials that have been placed in the work from the commencement to the present time, and that the position of the deposits may be indicated on the plan

2 I am to take this opportunity of inquiring at what intervals of time examinations are made of the works, and what observations are taken to determine the changes that have occurred in the form of the sections, and how such observations are recorded, the sections sent with your letter under reply having nothing on the face to show that they are the result of careful and accurate survey

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
Public Works Department.

CIVIL WORKS, No 26.

Nos 283-M and 284-M, dated 31st Aug 1876

SIR,—I am directed to acknowledge the receipt of your letters quoted in the margin, and, in reply, to transmit herewith plans and sections showing progress and present state of the Madras Harbour Works; I am also to forward the accompanying report of the Harbour Superintendent for the month of August, in which will be found the information asked for as to the quantity of materials that have been placed in the work.

2. With reference to paragraph 2 of your letter of the 31st August, I am to inform you that reports and sections with plans similar to those which form accompaniments to this letter are submitted monthly, in which all changes are recorded. I am desired to state that a copy of these monthly reports will be transmitted and a plan and section each quarter.

I have the honor to be,
Sir,
Your most obedient servant,

Colonel,
Offg. Under Secy. to Govt, P.W D.,
for *Secretary to Government.*
