Government of Madras

Public Works DEPARTMENT

G.O. No.	2557	Press
~~B.P. No.~~		~~Mis.~~
Dated	23 - 9 -	1876 —195—

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department,
23rd September 1876. *No.* 2,551.

Read the following letters —

No. 400. From Major P. MONTGOMERIE, R E, Officiating District Engineer, Presidency, to Major-General G W. WALKER, R E, Chief Engineer, Public Works Department, dated Fort St George, 29th August 1876, No 2,934.

I HAVE the honor to submit, for the sanction of Government and allotment of funds, a plan, specification report, and estimate, amounting to Rupees 346, for erecting a latrine for the Superintendent of the Army Clothing Board, Madras, which have been approved of by that officer

1 Estimate
1 Plan
1 Specification Report

2 The necessity for the work is explained by the Superintendent that there is no provision in the premises of the Clothing Board Department for a convenient latrine or closet for him The one already erected is inconveniently distant in the north-east corner of the compound, and was intended and is adapted only for the workmen. It is therefore proposed to erect a separate latrine for the Superintendent

---

No 895-T

RETURNED to the District Engineer, who will obtain the approval of His Excellency the Commander-in-Chief to the estimate

4th September 1876

(Signed) W T F FAREWELL, Colonel,
Offg Dy Chief Engineer, P W D

No 400-A From Major P MONTGOMERIE, R E, Officiating District Engineer, Presidency, to Colonel W T. F. FAREWELL, R E, Officiating Deputy Chief Engineer, Public Works Department, dated Fort St. George, 6th September 1876, No 3,115.

WITH reference to your endorsement, No 895-T, dated 4th September 1876, returning the plan and estimate, amounting to Rupees 346, for constructing a latrine for the Superintendent of Army Clothing Board, Madras, for the purpose of obtaining the approval of His Excellency the Commander-in-Chief to the estimate, I have the honor to inform you that the plan and estimate in question were forwarded for His Excellency's approval on the 19th August 1876, but were returned by the Deputy Assistant Quartermaster-General, Ceded District, in his docket, No 3,368, dated 21st August 1876, herewith sent (to be returned)

1 Original letter with Deputy Chief Engineer's endorsement
1 Original docket from the Deputy Assistant Quartermaster-General, Ceded District
1 Plan
1 Estimate
1 Specification.

2 The plan, estimate, and specification report, together with my original letter with your endorsement, are herewith retransmitted

Proceedings of the Madras Government, Public Works Department,
23rd September 1876. *No.* 2,551.

No 401. ORDER THEREON, 23rd September 1876, No. 2,551.

MILITARY WORKS, No. 13

(a) *Heads of Service* —Imperial.
Fund —Ordinary

OFFICE NOTE

To

OF 187 .

Memo

The Army Clothing Office was always classed under the head Military as it is for staff purposes - I beg to refer you to G.O. No. 1909 dated 6th July 1876 sanctioning an estimate for supplying Coke to feed the Engine in the Clothing Board office under the

16/9

the head Military as an example.

All the Military Offices on the Fort are for the last 20 years classed under the head Military and passed by the Examiner accordingly.

Only the Civil Offices in the Fort such as Govt Office, Accomtants &c Examiners, District Supts & other offices are classed under Civil Provincial.

Compd. 16/8/76

No 61 of 1876-77. 9

Specification to accompany a plan and estimate for constructing a latrine for the Superintendent of the Army Clothing Board

Amount of Estimate Rupees 346

This latrine is to be built on top of an existing Verandah with brick in mortar plastered. All the wood work is to be teak. The two side windows are to be honeycomb work and that opposite the door is to be a venetian window. The floor is to be made of 8" inches Square bricks. There is no seat provided a chair is to be used. The roof is to be terraced in the ordinary way.

The joists of the Verandah are not strong enough to carry the walls above, so arches are to be built to take the weight.

Dimensions &c will be found in detail in the plan and estimate.
