SIR,

In reply to your Memo No. $\frac{7}{747}$ of 14th instant, I have the honor to observe that no work is done at Gummidy except on requisition from the Secretaries to His Grace the Governor.

2 I have already paid to the Private Secretary Rs. 2000 for the purchase of furniture through the District Engineer's Presidency.

3 I see no reason why Rs. 850 should not cover all the demands that are likely to be made during the current year. This will set free Rs. 1000.

4 I would point out that there is another item at page 13 Provincial budget for 1876-77 Repairs & purchases rattan mats &c Rs. 2500. which His Grace may under the

circumstances also prefer to transfer
from Gundy.
