*Proceedings of the Madras Government, Public Works Department,
27th September 1876. No. 2,595*

No 481. Read the following letter from Major J. BEATTY, R E, Officiating Superintending Engineer, Godavery, to Major-General G. W. WALKER, R E, Secretary to Government, Public Works Department, dated Dowlaishweram, 14th September 1876, No. 1,685 —

With reference to G O, No. 1,472, of the 13th June 1876, I have the honor to request I may be informed whether the Special Upper Godavery allowance, the continuance of which to officers of the Engineer and other establishments formerly entitled to it was therein sanctioned, can be drawn for Mr Chancellor, Assistant Engineer, for the period he had charge of the Dumagudiem Division

2 The Examiner of Public Works Accounts, to whom a reference was made on this subject, understands the ruling in the above Government Order to be as follows, —

“That the special allowance is admissible to officers only when actually employed in the Dumagudiem Division.”

3. Mr Chancellor was actually employed in that division from 18th April to 23rd June 1876, and I presume therefore that he is entitled to the allowance for that period. He was in charge of the division at that time while Mr. Vanstavern was temporarily employed at the coal-borings.
