but I would give him the
full leave as it is on Medical

that Lieut Lever should understand
is that he will have to join before or retire - at the end of his leave

his age Lieut Lever would have no difficulty in getting a Certificate whenever wanted - He had 6 months leave on Private Affairs in August of last year 1875 - He was supposed to have the Sketch of the Country of the Vizagapatam District where the Jeypore Range remains - It is suggested that he be allowed three months only, viz. to 21st October, & be instructed that if then Jeypore is not free by that date
