*Proceedings of the Madras Government, Public Works Department,
29th September 1876. No. 2,623.*

No. 542. Read the following letter from Major J. BEATTY, R.E., Officiating Superintending Engineer, Godavery, to Lieutenant-Colonel J. MULLINS, R.E., Chief Engineer for Irrigation and Joint Secretary to Government, Public Works Department, dated Dowlaishweram, 9th September 1876, No. 1,646 :—

As directed in paragraph 3 of G.O., No. 1,901, of 26th July 1876, I have the honor to report that a statement showing the information obtainable by this department regarding the season's irrigation can be furnished by the Divisional Officers to the District Engineer's office by the 1st February; and, allowing time for references to the Divisional Officers, a general list for the three deltas may be submitted in time to reach the Chief Engineer for Irrigation by 1st March.

2. The information in the statement would be compiled from the monthly statements furnished by the Tahsildars of cultivation commenced during the month and up to the month.

No. 543. ORDER THEREON, 29th September 1876, No. 2,623.

IRRIGATION, No. 57.

RECORDED. The approximate Return of Irrigation will be due in the Government Office on the 15th March at latest.
