No. 9. Read the following letter from E. H. PRINGLE, Esq., District Engineer, South Canara, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Mangalore, 20th September 1876, No. 48 :—

IN forwarding an application for charge allowance from Mr. Supervisor J. M. D'Mello, at present in charge of No. II or Poottoor Division, I have the honor to strongly recommend that officer for a deputation allowance.

2. The grant will not entail extra cost on the State, as Mr. V. M. Fernandez, Sub-Engineer, the permanent occupant of the post, is on six months' leave* and there-

fore drawing only half-pay. Mr. D'Mello has extra work and more responsibility than when holding only a sub-division, but he seems fully equal to the charge, and all his works bear the stamp of his energy and carefulness.

3. Government Order, No. 470, dated 17th February 1875, is not explicit on the subject of deputation allowances, but this application seems to be in accord with its spirit.

"I beg to state that on the 11th April last I was transferred from Kundapur Sub-division to this division, *vice* Mr. Sub-Engineer Fernandez, availed himself of three months' privilege leave. But he having subsequently applied for an extension of three months, the original leave was commuted into leave on private affairs for six months, allowing me to continue to do duty during his absence. The importance of large works carried out in this division as well as the extension of one of its taluqs which is very large, induces the divisional officer to make disbursement which entails extra work; notwithstanding this the number of office establishment is also very limited; moreover, the post of draftsman lately vacated not having as yet been filled up for want of a qualified candidate also devolves much additional work which urges upon me the sacrifice of extra hours. May I therefore respectfully beg that you will be pleased to recommend me for any allowance you deem it advisable for the period I act in this division."

No. 10. ORDER THEREON, 2nd October 1876, No. 2,646.

ESTABLISHMENT, No. 4.

THE claim is inadmissible. Executive Divisions equally with Sub-divisions being held by Upper Subordinates above the rank of Overseer.

2. It is only Overseers that can claim deputation allowance for holding charge of Sub-division or Division.
