*Proceedings of the Madras Government, Public Works Department,
29th January 1876.*

No. 557. Read the following letter from W. C. FURNIVALL, Esq, Under Secretary to the Government of India, Public Works Department, (Railway,) to Major-General G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, (Railway,) dated Fort William, 18th January 1876, No 179 R. —

I AM directed to acknowledge the receipt of your No 3,480, dated the 8th December 1875, and enclosures, reporting the results of attaching third-class carriages to the local trains between Pothanore and Beypore on the Madras Railway for the two halves of 1874

2. In reply, I am desired to state that the Government of India concur with the Government of Madras in thinking that while the traffic yields the normal amount of receipts, the additional expenses due to haulage of extra vehicles is likely to be more than compensated by the increased popularity of the arrangement, as indicated by the larger number of third-class passengers who now avail themselves of the cheaper trains, the object being to obtain the maximum of profit not from a comparatively small but from a maximum traffic.

3. It is presumed that a continued further trial will be given to the arrangement.

No. 558. ORDER THIRTEEN, 29th January 1876, No 264.

RAILWAY, No 50

COMMUNICATED to the Consulting Engineer for Railways with reference to the correspondence ending with G.O., No 3,479, dated 8th December 1875.

2. It is observed with reference to paragraph 3 that, as already expressed in G.O., No. 2,017, dated 27th July 1874, it is intended that the arrangement which has been introduced shall be permanent

(True Extract.)

Major-General, R.E.,
Secretary to Government.

To the Consulting Engineer for Railways
