*Proceedings of the Madras Government, Public Works Department,
6th October 1876. No. 2,698.*

No. 105. Read the following endorsement in the Political Department, dated 25th September 1876, No. 1,480, on letter from the Collector of Bellary, No. 72, dated 20th September :—

No. 105-A. ORDER THEREON, 6th October 1876, No. 2,698.

CIVIL WORKS, No. 6.

THE District Engineer will lose no time in arranging for co-operating actively with the Agent to the Soondoor Rajah in the expenditure of whatever funds may be assigned in the Financial Department for opening up a cart road through the Cunawayhully gorge of the Soondoor Valley. Personally, or through competent agents, he will see to the laying out of the line to the best advantage; arranging so that work may be given to all comers as speedily as possible, but leaving to the agent the expenditure and accounts of whatever sums may be advanced him by the Collector.

2. The District Engineer will also report in due course through the Chief Engineer on the subject of the estimate for the road in question, which he was directed to prepare so far back as the 31st October 1873, in G.O. No. 170.

(True Extract.)

(Signed) G. W. WALKER, Major-General, R.E.,

Endorsement in the Political
Dept. in letter from the Coll.
of Bellary No 42 d/20th Sept. } (No. 1180 d/25th Sept. 76)

The District Engineer
will lose no time in
arranging for cooperating
actively with the Agent
to the Soudoor Rajah
in the expenditure of
whatever funds may be
assigned in the Financial
Department for opening
up a cart road through
the Annawaybully Gorge
of the Soudoor Valley.
Personally, or through com-
petent Agents, he will
see to the laying out of

the line to the best ad-
vantage; arranging so
that work may be given
to all comers as speedily
as possible, but leaving
to the Agent the ex-
penditure and accounts
of whatever sums may be
advanced him by the Collector.

2. The District Engineer will
also report in due course
through the Chief Engineer
on the subject of the estimate
for the road in question,
which he was directed
to prepare so far back
as the 31st October 1873,
in G.O. No. 790.
