2. The case is similar to that disposed of in G.O., No. 2,105, of the 14th ultimo. My draughtsman, C. Kasavachariar, went on sick leave. The assistant draughtsman, T. C. Kasavachariar has been absent on sick certificates since 20th April, and has just applied for a further extension of three months. There are no unemployed passed candidates in this district.

Godavery District Engineer's Division or Office. List of Disallowances
 from the Salary Bill for June 1876

Name and Rank.	Amount disallowed.	Reason of Disallowance.	Explanation by Executive and District Officers.
(a) C. Casara Chariar Draftsman		Information is requested as to the circumstances under which no report was made to this office in the Return for April and May last of the grant of sick leave for a period of 2 months and 15 days from 30 April 1876 to C. Casara Chariar for whom full pay was claimed and passed by this office for the above months. The sum of Rs. 9-2-8 shown in the bill under reference as a recovery on account of amount withdrawn has been struck out from the bill. The recovery should be made from Casara Chariar's sick leave rate of pay for the current month and the net amount only drawn in the bill.	No report was made as it was presumed Casara Chariar would have returned to duty within the casual leave granted him. Prior to being granted leave had however to be granted him and this was subsequently committed to Sick Leave.
