No. 51. Read the following Circular from the Government of India, Public Works Department (Account—General), dated Fort William, 21st December 1875, No. 70 :—

Modification of form of application for a re-appropriation of Budget credits.
Read—

Chapter XVI., Section i, paragraph 65, of Public Works Code.

RESOLUTION.—The Government of India, having had under consideration the present form of application for re-appropriation of Budget credits, have observed that it does not contain the following information which it is desirable that it should contain.

It should show the original Budget grants for the works referred to, the existing state of the grants and their state after reduction or increase.

It should show the outlay to the beginning of the year.

It should show their estimated cost.

2. To remedy the defect arising from the want of this information, the Government of India have been pleased to sanction the substitution of the following form

Application to the Government of India for a re-appropriation of Budget Grant.

[illegible]

(a) — In the case of Requirers these columns would not be filled in.
 (b) — If it happens that the grant already allowed has been red 1001, the entry in this column would of course be the amount less such reduction.
 (c) — In the case of Minor Works the entry would be the original amount of the grant, plus any subsequent additions. Appropriations from that grant for Major Works should not be deducted, but a note can be added to foot of return to show the amount diverted to Major Works.
Explanation of necessity for re-aggregation.

3. In the case of Irrigation Works the entries in the column "Head of service," should show distinctly whether the proposed re-appropriation is debitable to Capital or Revenue, and the entries in the column "Works," should be so arranged as to show the project to the Capital or Revenue Account of which the charge is debitable, and the class of service to which the charge is debitable thus—
