*Proceedings of the Madras Government, Public Works Department,
11th October 1876. No. 2,715.*

No. 133. Read the following letter from Colonel C. V. WILKIESON, R.E.,
Superintending Engineer, Coimbatore, to Major-General G. W. WALKER,
R.E., Secretary to Government, Public Works Department, dated Coonoor,
2nd October 1876, No. 67 C.I. :—

With reference to paragraph 2 of G.O., No. 2,165, dated 18th August 1876,
I have the honor to report that I have appropriated from the District Grant for Minor
New Works Rupees 290 and Rupees 1,480 respectively for utilizing the road bridge
over Coimbatore channel into a head sluice and for improving the Polliem tank (items
Nos. 26 and 28 in the statement embodied in the Government Order under reference),
and that I am unable to provide for the works (items Nos. 25 and 27) shown in the
accompanying list, from which it will be seen that Rupees 5,746 have already been
expended against the balance of Rupees 6,902 out of the sanctioned estimate.

2. As there are no other works from the allotment of which I can propose

transfers, and as the unappropriated
balance* from the Minor New Works

Grant is very small, I have the honor to request you will be so good as to allot the
sum of Rupees 6,902 required for the works, which have been nearly completed in the
expectation of provision of funds which I applied for in my statement, dated 26th
April 1876. If this sum is not available by transfer from other districts, I have no
alternative but to solicit permission to appropriate from the Repair Grant of this
district, Rupees 5,699 which, with the unappropriated balance of Rupees 1,203 under
Minor New Works, will make up Rupees 6,902 required for the two New Works entered
in the enclosed list.
