No. 177. Read the following letter from Captain R. R. E. BROCKMAN, R.E., District Engineer, Tanjore, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Tranquebar, 11th July 1876, No. 1,273.

IN reference to G.O., No. 69, dated 8th February 1875, I have the honor to forward, for the sanction of Government, the enclosed plan and estimate, amounting to Rupees 2,800, for constructing an office for the Sub-Registrar of Trivalore.

One Abstract Estimate.
One Plan.
One Plan of site.

2. The plan and estimate were prepared so far back as January 1875, under the Inspector-General of Registration's Circular, No. 11, dated 24th October 1874; but their submission has been delayed till now pending the decision of the receiver of Tanjore relative to certain arrangements proposed by Colonel Roberts, R.E., in a letter to that gentleman, for providing separate accommodation for the Sub-Magistrate at Trivalore by repairing and converting a portion of the old Palace buildings at that station for the purpose and renting out the same to Government, an arrangement which, if carried out, would have enabled the Sub-Registrar to occupy the existing Sub-Magistrate's Cutcherry and rendered the erection of a separate building for that officer unnecessary. The receiver has, under date the 24th ultimo, communicated his decision in the matter, and is not prepared to accede to the proposal, as he is of opinion that the cost of improving the old Palace building and of its annual maintenance would not be covered by the rent that might be obtained for it.

3. The enclosed plan and estimate were prepared in communication with the Sub-Registrar of Trivalore, and have been approved of by the District Registrar, who has countersigned the same in token of his approval.

4. In the event of the plan and estimate meeting with the approval and sanction of Government, I request that the necessary funds may be allotted for the work.

5. The site selected for the building is within the compound of the present Sub-Magistrate's Cutcherry, and is the only eligible site available.
