Proceedings of the Madras Government, Public Works Department, .
14th October 1876. No. 2,753.

No. 205. Read the following endorsement of the District Engineer, Cuddapah, dated 2nd October 1876, No. 1,418 :—

COPY of a letter from the Officer in charge of Madanapully Range, to the District Engineer, Cuddapah, dated 26th September 1876, No. 1,446.

I HAVE the honor to bring to your notice that, owing to the absence of Serjeant Taylor, the Sub-divisional Officer of this Range on leave, I have now to look after all the four taluqs of the Range, which necessitates me to convey the sub-divisional records, which are extremely bulky, always with me. This range being one of the largest in the Presidency, having an area of about 4,000 square miles, I cannot carry these records about with me without employing an extra bandy, and, as it is essential that all of them should be with me, as well as the office furniture for the writers' use, I request that an allowance of Rupees 20 per month may be made for the purpose.

2. A like request was sanctioned in G.O., Nos. 448, of 5th February 1866, and 2,401, of 12th October 1872. I request you will therefore kindly represent the matter to Government and obtain sanction for the above.

SUBMITTED for orders of Government with recommendation that Rupees 20 monthly may be sanctioned for the conveyance of office records, &c., of the sub-division during the absence of Serjeant Taylor on privilege leave.

(Signed) A. S. MOBERLY, Colonel, R.E.,
District Engineer, Cuddapah.
