*Proceedings of the Madras Government, Public Works Department,
14th October 1876. No. 2,757.*

No. 212. Read the following letter from Captain L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 7th October 1876, No. 253 W :—

I HAVE the honor to bring to the notice of Government that the monthly accounts of the Chicacole Division for August 1876 have not been received in this office up to this date, and that the accounts of the Golconda Division for the same month were received only on the 4th instant.

2. Government is aware that the monthly accounts of the whole of the divisions are due in this office on the 20th of the month succeeding that to which they relate, and that the want of a single one of them keeps back the compilation of the accounts of the whole Presidency.

3. In the present instance owing to the delay in the submission of the accounts from these two divisions there is every likelihood of my not being able to submit the Provincial Accounts of the Presidency to the Accountant-General, Public Works Department, in due time, and I have therefore thought it proper to bring the matter to the special notice of Government.

4. In future I propose to submit every month a special report of the divisions the accounts of which are not received before the expiration of the month on the 20th of which they are due.

No. 213. ORDER THEREON, 14th October 1876, No. 2,757.

ACCOUNT, No. 7-A.

THE Examiner will make inquiry into the causes of delay in these and all other cases he thinks necessary to bring to the notice of Government, and report his opinion as to the parties answerable, and the notice to be taken of their conduct.
