In accordance with G.O., No. 243, dated 27th January 1875, I have the honor to request that the District Engineer, South Arcot, may be authorized to sell by public auction the unserviceable tools enumerated in the list submitted with the accompanying letter from that officer.

2. It will be seen that the book value of the tools is Rupees 582-6-0, and that nearly all the tools were originally obtained for Local Fund Works.

In connection with this subject the District Engineer applies for information as to whether in selling unserviceable Local Fund tools, the previous concurrence of the Local Fund Board should, with reference to G.O., No. 187, dated 26th August 1876, be obtained. As a matter of principle I think that the approval of the Local Fund Board should be obtained, but the matter is submitted for the decision of Government.

From Major H. R. MEAD, R.E., District Engineer, South Arcot, to Captain L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, dated Camp at Cuddalore, 28th September 1876, No. 123.

I HAVE the honor to forward the accompanying list of unserviceable tools of the Cuddalore Division proposed to be sold in public auction, and request you will be good enough to obtain the sanction of Government to the same, as the book value of the tools, &c., exceeds Rupees 500.

2. In G.O., No. 187, of 26th August 1876, it is laid down that tools for Local Fund Works should be purchased after obtaining the previous concurrence of the Local Fund Boards; I request to be informed whether in selling unserviceable Local Fund tools, the book value of which may be within 500 Rupees, the permission of the Local Board is necessary.
