B.P. No.		Mis.	
Dated	26-10-	195	4876.

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
26th October 1876. No. 2,859.*

No. 404. Read the following letter from Major P. MONTGOMERIE, R.E., Officiating District Engineer, Presidency, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 10th October 1876, No. 3,783:—

I HAVE the honor to submit for sanction and allotment of funds a plan, specification report and estimate, amounting to Rupees 276, for constructing a drain from the quarters of the Resident Surgeon and the Hospital Serjeant of the General Hospital to the river Cooum.

2. The necessity for the work is explained that the two uncovered sinks situated at the Resident Medical Officer's and the Serjeant's quarters which receive foul water from bath-rooms and kitchens are very offensive and even dangerous, and as it is difficult to keep them clean, it is proposed to close the sinks, and in their place to construct an open surface drain to carry off the foul water into the Cooum river.

3. The plan and estimate have been approved of by the Surgeon-General, Indian Medical Department.

No. 405. ORDER THEREON, 26th October 1876, No. 2,859.

CIVIL WORKS, No. 24.

(a) *Heads of Service.*—Provincial.
Fund.—Ordinary.
Class.—Original Works.
Main-head.—Civil Buildings.
Sub-head.—H, Medical Department.
Section.—i, Hospitals and Infirmaryes.
Name of Work.—Drain from Resident Surgeon's quarters and Hospital Serjeant's quarters, General Hospital, to the River Cooum.
Amount.—Rupees 276.
To be carried out by the Public Works Department.

THE plan and estimate of Rupees 276 for constructing a drain from the Resident Surgeon's quarters and the Hospital Serjeant's quarters to the river Cooum are sanctioned, and funds provided from the Provincial Reserve under Civil Buildings.

2. This sanction has been registered as Provincial No. 167 W. of 1876-77.

Specification to accompany an Estimate
 for constructing a drain from the Resident
 Surgeon's Quarters and the Hospital Sergeants
 of the General Hospital
 Amount of Estimate Rs 276-00-00

A brick in mortar drain plastered with
 Portland cement is to be constructed to carry
 water from the bath rooms of the Resident
 Surgeon's Quarters and the Hospital Sergeants.
 At present the water from the Resident Surgeon's
 bath rooms runs into a small cistern close to the
 Hospital Sergeants Quarters from which there is
 always a very offensive smell and very often
 overflows. The water from the bath room of the
 Hospital Sergeants Quarters runs out on the
 ground.
