*Proceedings of the Madras Government, Public Works Department,
26th October 1876. No. 2,860.*

No. 406. Read the following letter from Captain R. R. E. BROCKMAN, R.E., District Engineer, Tanjore, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Combaconum, 29th September 1876, No. 1,869 :—

I HAVE the honor to enclose an estimate, amounting to Rupees 172-8-0, for furniture required for the Negapatam Range and its sub-division office in this district.

2. The articles for the Range Office provided for in the estimate are in accordance with the scale sanctioned for 1st and 2nd class Ranges in G.O., No. 1,934, dated 2nd August 1873, and those for the sub-division office are far below the sanctioned scale for 3rd and 4th class Ranges. The rates entered for the articles are in every case those allowed in the above Government Order.

3. The Range Officer reports that all the furniture in the range is unfit for use, being very old and past repair, and urges that they should be replaced by a new set. In regard to the sub-divisional office the furniture is much required as none has been supplied since the office was constituted, the furniture of the late Combaconum Range having been sufficient only for distribution to the Combaconum and Mayaveram sub-division offices. I solicit therefore that sanction may be granted to the enclosed estimate. On the purchase of the new furniture the old articles will be sold by public auction and their proceeds credited in the accounts.
