*Proceedings of the Madras Government, Public Works Department,
27th October 1876. No. 2,877.*

No. 439. Read the following endorsement of the Chief Secretary to Government, dated Ootacamund, 17th October 1876, No. 1,621:—

From the Very Rev. C. R. DRURY, Archdeacon of Madras, to the Hon'ble W. HUDLESTON, Chief Secretary to Government, dated Madras, 13th October 1876, No. 424.

I HAVE been desired by the Bishop to forward for the sanction of Government an estimate, amounting to Rupees 970, submitted by the District Engineer through the Church Committee of Bimlipatam Church, for erecting a wall round the church compound.

2. I presume the Bishop recommends the above estimate to the favorable consideration of Government.

TRANSFERRED to the Public Works Department.

(Signed) W. HUDLESTON,
Chief Secretary.

No. 440. ORDER THEREON, 27th October 1876, No. 2,877.

CIVIL WORKS, No. 28.

THE attention of the Venerable the Archdeacon was called in G.O., No. 558, dated 29th February 1876, to the rules of the Public Works Department on the subject of the preparation and submission of plans and estimates, and those rules were reproduced for his special information and future guidance. Notwithstanding which the rules have not been attended to in the present instance. In accordance with paragraph 84 of Chapter V of the Code, a rough or proximate estimate of the cost of the compound wall should have been obtained from the District Engineer for submission to Government for approval in the Ecclesiastical Department. Such approval having been given, a detailed estimate accompanied by a plan should then be prepared for sanction in the Public Works Department.

2. It is stated that the present estimate was submitted by the District Engineer; but there is nothing to show that it ever passed the scrutiny of that officer. Range Officers are not authorized, without the sanction of higher authority, to prepare estimates of this kind.

A plan of the work should now be submitted.
