*Proceedings of the Madras Government, Public Works Department,
2nd February 1876.*

No. 17 Read the following letter from L R BURROWS, Esq, Acting President of the Municipal Commission, to Major-General G W. WALKER, R E, Secretary to Government, Public Works Department, dated Madras, 25th January 1876, No 1,749 S —

I HAVE the honor to report, for the information of His Grace the Governor in Council, that since the commencement of the present month I have been employing the establishment specially sanctioned by Government in their Order of the 16th August 1875, as an auxiliary conservancy force to be employed in Triplicane, during the months of November and December, in cleaning and removing the scum from the banks of the Cooum near Government Bridge and in Government Park, and in removing the scum from Cochrane's Canal above the General Hospital Bridge. The removal of the filth near the Government Bridge and in the Park seems to be attended with some advantage, but very little benefit has been effected near the General Hospital Bridge. Just above the dam, I might almost say on the dam, a large municipal sewer discharges its contents. The water of the canal at that point is very thick and stinks most abominably. I am quite at a loss to know what to do the removal of the scum alone seems useless. I propose to discharge two of the carts from the end of this month and employ more men; the scum being merely brought to the bank and deodorized with road dust sprinkled over it.

2. The particulars and cost of the establishment which I have employed are as follow:—

	RS	A	P.
2 Peons at Rupees 7 each	14	0	0
5 Carts at Rupees 16-12-0 each	83	12	0
10 Scavengers at Rupees 4-13-6 each	48	7	0
Total	146	3	0

3. I request that Government will be pleased to sanction payment of the cost of this establishment for January, and will issue such instructions for my future guidance as they may deem proper.

No 18 ORDER THEREON, 2nd February 1876, No. 289.

CIVIL WORKS, No 1.

HIS GRACE the Governor in Council approves of the retention of the establishment alluded to, modified as to details as

may be found necessary, until further orders; and directs that, in accordance with G O, No. 43, of 7th January, such portion of it as may be required for the conservancy of the banks of the Cooum be supervised by the District Engineer of the Presidency; while the remainder shall attend to the conservancy of the canal under municipal supervision.

2. The Financial Department will be requested to continue to provide the requisite funds by an additional assignment.

(True Extract)

(Signed) G. W. WALKER, Major-General, R E,
Secretary to Government

To the Acting President of the Municipal Commission.
" District Engineer, Presidency.
" Financial Department.

Letter from the Acting President, Municipal
Commission, Madras, S. No. 1749, dated
25 January 1876.

For Orders.

There are no funds
whatever available in
the Public Works De-
partment to defray
these charges. Still less
to meet the cost of
any pumping
operations.
