Public Works DEPARTMENT

G.O. No.	2708	Press
B.P. No.		Mis.
Dated	30-10-195	CE.76

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
30th October 1876. No. 2,900.*

No. 480. Read the following letter from Major R. THOMPSON, R.E., Officiating District Engineer, Bangalore, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Bangalore, 21st October 1876, No. 160 :—

I HAVE the honor to bring to your notice that in G.O., No. 2,506, dated 14th October 1873, Government sanctioned an estimate of Rupees 6,030 for constructing District Engineer's office at Bangalore. Funds were provided in the Imperial Budget of the official year 1874-75. The work was commenced during that year, and a sum of Rupees 725-8-2 was spent on the work. In your memorandum No. 269, dated 17th April 1874, orders were issued to stop the work as the Government of India had struck the work off the Imperial Budget, it being a Provincial work. In your memorandum No. 322, dated 7th May 1874, it was promised that endeavours would be made to supply funds, but no allotment was given.

2. The building is very much required at this station, and if funds are not available I propose that the work may be allowed to be carried out by a Contractor on the condition that he should receive a monthly rent of Rupees 50 until Government reimburse the amount (when funds are available) to the Contractor. It is difficult to get a suitable building at Rupees 50 per month, the amount that is now paid for the building used as District Engineer's Office. This building is in need of repair. The landlord when called upon to repair it states that he cannot carry out the repairs himself, but they may be done by me on the condition that the cost may be recovered by monthly instalments of Rupees 15 each from the rent of the building. Under these circumstances I consider that it would be advisable to carry out the work sanctioned in the Government Order above quoted on the conditions suggested by me.

No. 481. ORDER THEREON, 30th October 1876, No. 2,900.

ACCOUNT, No. 23.

THE Governor in Council has no objection to the District Engineer's renting the building which the Contractor proposes to construct; but its future purchase cannot be guaranteed unless its construction is supervised by departmental officers in the same manner as public works are dealt with.

(True Extract.)

Major-General, R.E.,
Secretary to Government.

To the District Engineer, Bangalore.
