*Proceedings of the Madras Government, Public Works Department,
4th November 1876. No. 2,967.*

o. 79. Read the following docket from the Officiating Assistant Secretary to the Government of India, Public Works Department, dated Simla, 25th October 1876, No. 1,451 M W:—

From Colonel H. K. BURNE, c.b., Secretary to the Government of India, Military Department, to Colonel J. MICHAEL, c.s.i., Secretary to the Government of Madras, Military Department, dated Simla, 12th October 1876, No. 378 S.

I AM directed to acknowledge the receipt of the Proceedings of the Madras Government, submitted with your docket, No. 3,187, dated the 26th June 1876, relative to the provision of funds for the purchase of land for the Native Lines at Poodoopett, which His Grace the Governor in Council considers should be provided in the Military Department.

2. In reply, I am to remark that under Public Works Department Standing Order No. 9 of 1870, charges on account of the purchase of land are to be debited to that department when the buildings erected on the land are so debitable; and that when the land is required by both the Military and the Public Works Departments the incidence of the charge is settled between them. In the present instance the lines at Poodoopett will be erected by the Public Works Department, and will be a charge on the Budget of that department; but as, no doubt, a portion of the land is required for the parade-ground, it appears that a portion of the charge should be treated as a military one.

3. In inviting the attention of the Government of Madras to this point, I am directed to request that it may be arranged in communication with the Public Works Department, Madras, what portion of the charge for the land referred to is debitable (ratably according to the area required by each department) to the Military, and what to the Public Works Department.

4. Owing, however, to the want of funds in the Public Works Department Budget, it will be necessary to defer for a time the acquisition of the land required; but the Public Works Department will be informed that the construction of the new lines is an urgent work for which funds should be provided as early as possible.

By Order,

(Signed) W. M. LEES, Lieut.-Colonel,
Offg. Dy. Secy. to Govt. of India.

SIR,

I AM directed to acknowledge the receipt of the Proceedings
of the Madras Government, submitted with your docket No. 3187, dated the
26th June 1876, relative to the provision of funds for the purchase of land
for the Native lines at Poodoopett, which His Grace the Governor in Council
considers should be provided in the Military Department.

2. In reply, I am to remark that under Public Works Department stand-
ing order No. 9 of 1870, charges on account of the purchase of land are to be
debited to that department when the buildings erected on the land are so
debitable; and that when the land is required by both the Military and the

I am directed to request that it may be arranged in communication with the
Public Works Department, Madras, what portion of the charge for the land
referred to is debitable (rateably according to the area required by each Depart-
ment) to the Military, and what to the Public Works Department.

required, but the Public Works Department will be informed that the construc-
tion of the new lines is an urgent work, for which funds should be provided
