*Proceedings of the Madras Government, Public Works Department,
4th November 1876. No. 2,971.*

Read the following letters:—

No. 86. From Colonel C. V. WILKIESON, R.E., Superintending Engineer, Coimbatore, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Coonoor, 18th March 1876, No. 133.

With reference to G.O., No. 3,610, dated 24th December 1875, I have the honor

to submit, for the sanction of Government, the accompanying plan and three estimates, duly countersigned by the Inspector-General of Police, for constructing sixteen

huts for Police Constables stationed at the under-mentioned places, amounting to Rupees 2,940, or Rupees 132 more than the approximate sum of Rupees 2,808, entered in the list printed with the Government Order, viz.:—

	RS.
Four Huts at Shambully	700
Four do. at Cadoomoody	700
Four do. at Chettipolliem	770
Four do. at Mettapolliem	770
	2,940

2. The design for Police huts approved of in G.O., No. 462, dated 24th February 1874, was adhered to with slight modifications required to construct a joint building for four Constables, the standard plan being only for one Head Constable and one Constable. The sketch map of the locality, nature of soil, the value of land, &c., required for the buildings cannot be supplied till the sites for them are fixed upon hereafter.

No. 86A. From Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 27th April 1876, No. 1,940.

In forwarding the accompanying plan and four estimates for sixteen huts (cost Rupees 4,980) together with a letter* to

* No. 5, dated 12th April 1876, the address of the Deputy Chief Engineer,

Public Works Department, received from the Superintending Engineer, Coimbatore, I have the honor to state that provision to the full extent cannot be made for the same in 1876-77, the Budget allotment of Coimbatore for the year being Rupees 2,808 only.

2. The Superintendent of Police, Coimbatore, reports that he proposes to utilize the above allotment for the huts at the places noted in the margin, increasing the number of these from four to five at Mettapolliem. Should any small balance be required in addition for the purpose it may be provided hereafter.

Four Huts at Shambully	Rs. 1,200
Five do. at Mettapolliem	1,608
Total	2,808

3. The plan and estimates to the extent mentioned in paragraph 2 are approved and submitted, countersigned with the necessary alterations accordingly.

From Colonel C. V. WILKIESON, R.E., Superintending Engineer, Coimbatore, to the Deputy Chief Engineer, Public Works Department, dated Coonoor, 12th April 1876, No. 5—
(Through the Inspector-General of Police.)

In accordance with your Memorandum, No. 548, dated 24th March 1876, I have the honor to submit herewith revised plan and estimates for constructing sixteen huts for Police Constables amounting in the aggregate to Rupees 4,980, or Rupees 2,172 in excess of the sum of Rs. 2,808 entered in the list furnished by the Inspector-General of Police as shown below:—

	Amount of Revised Estimate.	Amount provided for.
	RS.	RS.
Four Huts at Shambully	1,200	702
Four do. at Cadoomooddy	1,200	702
Four do. at Chettipolliem	1,290	702
Four do. at Mettapolliem	1,290	702
Total	4,980	2,808

2 From the small sums* allotted for the huts in the list furnished by the Inspector-General and embodied in G.O., No. 3,610, of 24th December 1875, I was under the impression that it was the intention of Government to sanction cheaper huts, as there was no unallotted balance at the disposal of the Inspector-General even for incomplete works in 1876-77; but in the revised estimate now submitted you will observe that I have provided brick in clay for walls (allowing brick in chunam 1½ feet around the doors and windows and at top of walls, on which the wall-plates or rafters rest, to prevent white-ants getting into the roof,) with chunam plastering for the whole walls of the building, instead of mud walls originally provided for.

No. 86-B. From Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 29th August 1876, No. 3,973.

I HAVE the honor to request that you will be good enough to inform me if orders of Government have been passed on the plan and estimates for certain huts in the Coimbatore District submitted to Government with my letter of 27th April 1876, No. 1,940.

The District Engineer reports that the said works cannot be commenced for want of sanctioned estimates.
