*Proceedings of the Madras Government, Public Works Department,
7th November 1876. No. 2,989.*

No. 121. Read the following letter from Major J. G. STEEL, R.E., Officiating Under Secretary to the Government of India, Public Works Department, (Railway,) to Major-General G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, (Railway,) dated Simla, 30th October 1876, No. 2,985 R:—

I AM directed to acknowledge the receipt of your No. 2,531, dated the 21st September 1876, forwarding a report on the working of the reduced fares for passengers on the Arcotum-Conjeveram branch of the South Indian Railway for the year ending 31st January 1876.

2. In reply, I am to state that the Government of India concurs with His Grace the Governor of Madras in thinking that although the receipts have fallen off to a certain extent, it is not expedient to make any further change in the fares till the question of the junction of the detached branch with the main line is definitively settled, when the subject may be reconsidered in the light of the additional experience which will then have been acquired.
