Proceedings of the Madras Government, Public Works Department,
9th November 1876. *No.* 2,993.

No. 142. Read the following letter from A. B. SAMPSON, Esq., Under Secretary to the Government of India, Public Works Department, (Establishment—General,) to Major-General G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, dated Simla, 30th October 1876, No. 1,485 E.—G.:—

In reply to your No. 2,682, dated 5th October 1876, I am directed to state that it was intended that an officer now electing the old scale should receive any difference of pay between the old and new scale which by choosing the latter he may have lost, and to add with reference to paragraph 4 that salary may at once be passed to an officer on his re-election of the old scale of salaries without reference to the Government of India; all that is necessary is, that this department should be furnished, for record, with a list of the officers who change their former election under the provisions of Public Works Circular No. 49 of 1876.

2. I am to add that it is not intended that an officer who had originally elected the old scale should now avail himself of the opportunity to change such election. The object of the concession is to enable an officer to revert to the old scale if he desires to do so.
